

Follow our advice and you will have a chance to stay alive !

Refuge

You must have a shelter to rest and put your personal affairs.

Vehicle and weapons

You have to take a strong car and weapons.

Team

If I were you, I would create a group of teammates to help in case of problems.

Food rations

You can try to make the reserves of food and water not to die of hunger or other

Vital Objects

Why not take a lighter to light a fire ?
It is much easier that way.

Why not bring a flashlight torch ?
You can see that the zombies are coming during the night !

If you have put together all these elements then you are ready in case of a zombie attack !
